About The Strategic Leadership Series

Delivered through a series of Perspectives reports, and supported by advisory services, the Strategic Leadership Series was developed to provide credit union leaders with valuable, objective insights into the most relevant industry trends and innovations impacting the future of the movement. The inaugural Perspectives report titled, "Charting the FinTech Revolution", describes the likely future path of the FinTech industry and its impact on the financial services industry.

The inaugural report can be obtained - free of charge - by visiting <http://sievewrightandassociates.com/sls> - or by scanning this QR code.
